FOOT BALL GOAL ACCESS FRAME INSTALLATION INSTRUCTIONS

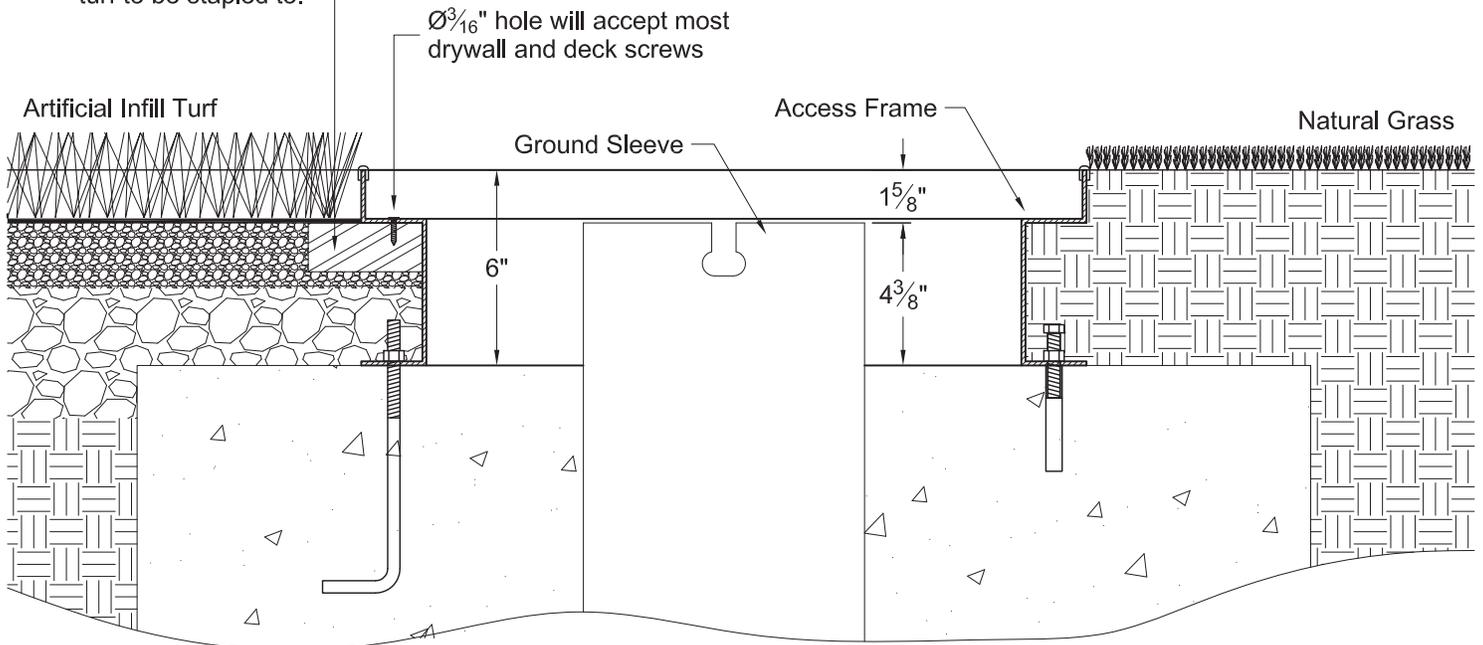

Install the access frame before installing the goose neck into the ground sleeve.

Access frame must be centered over ground sleeve.

Anchor the access frame to the concrete pier.

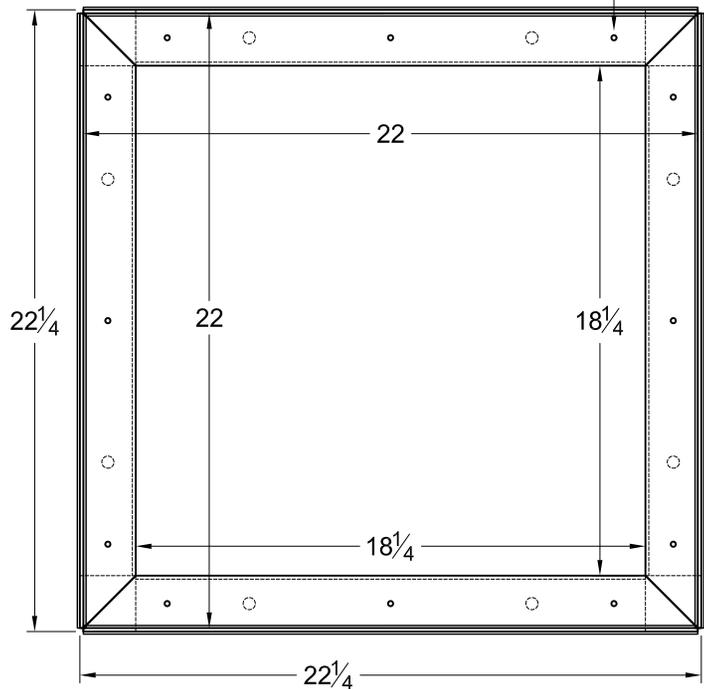

For Infill Turf fields fasten a treated 2x4 under the access frame lip for the turf to be stapled to.

⚠ WARNING: This product can expose you to Wood Dust, which is known to the State of California to cause cancer. For more information go to www.p65warnings.ca.gov.
