Custom sized sand pit covers made from Vipol™ Material or Solid Vinyl-Polyester that are surrounded by a vinyl wrapped galvanized steel chain perimeter, keeps your sand where it belongs, in the pit, protected from wind, animals, and children.

### Check one of the following:

☐ 493682 - Pit Cover made w/ Solid Vinyl-Polyester

☐ 493680 - Pit Cover made w/ Vipol™ Matrix Material

*The Vipol™ Matrix Material is tough yet allows rain, sun, and air penetrate the cover, eliminating water pooling and mold.*

### Sand Pit Cover Color:

- |                                 |                                     |                                      |                                 |                                      |
|---------------------------------|-------------------------------------|--------------------------------------|---------------------------------|--------------------------------------|
| <input type="checkbox"/> Grey   | <input type="checkbox"/> White      | <input type="checkbox"/> Red         | <input type="checkbox"/> Tan    | <input type="checkbox"/> Kelly Green |
| <input type="checkbox"/> Orange | <input type="checkbox"/> Dark Green | <input type="checkbox"/> Navy Blue   | <input type="checkbox"/> Maroon | <input type="checkbox"/> Royal Blue  |
| <input type="checkbox"/> Purple | <input type="checkbox"/> Black      | <input type="checkbox"/> Yellow Gold |                                 |                                      |

### Sand Pit Cover Size:

Specify the length and width of the cover. It is recommended that the cover be at least 2 feet larger than the sand pit in both directions

*Example: If the sand pit is 9' x 30', it is recommended that you order a cover at least 11' x 32'*
