4350S - TAKE OFF & NCAA FOUL BOARD SYSTEM SPECIFICATION

The 4350S consists of a take off board assembly, blanking board assembly and an installation tray.

The take off board assembly has an adjustable aluminum base board. The weather resistant composite take off board and foul boards are 3/4" thick. The take off board and base board have holes in them so that the base board can be leveled from the top down.

Meets NCAA rules
