No. 281 "H" STYLE FOOTBALL GOAL POST

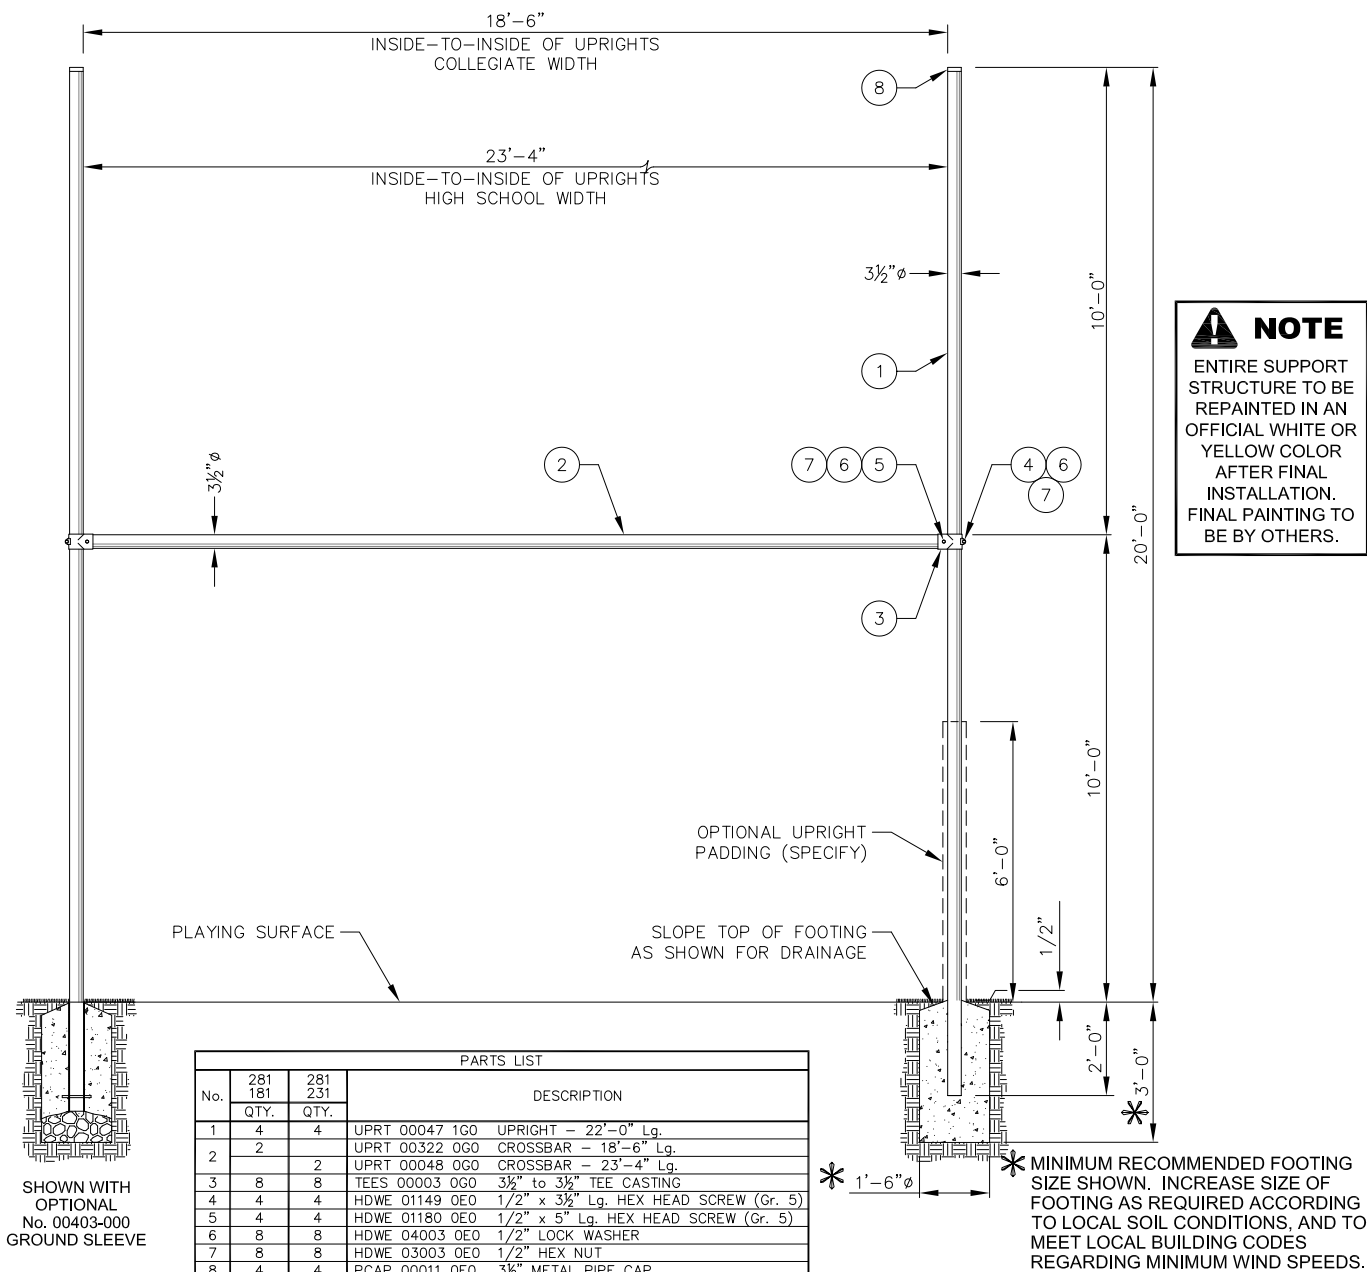

H-STYLE FOOTBALL GOAL POSTS W/ 10' UPRIGHTS

SPECIFICATIONS

PORTER No. 281181x COLLEGIATE FOOTBALL/RUGBY GOAL POSTS (ONE PAIR)

Football goal posts shall be fabricated from 3-1/2" O.D. heavy-wall galvanized steel tubing.

Crossbar shall be 18'-6" in length (Collegiate width) with the uprights extending 20'-0" above the playing surface. Crossbar shall be attached to the uprights with heavy-duty, galvanized ductile iron tee fittings, at a height of 10'-0" above the playing surface. Uprights shall extend 2'-0" into concrete footings for permanent-type installations, or may be used with optional outdoor ground sleeves (No. 00403-000) when seasonal removal is required.

Unit shall be furnished with plated hardware.

PORTER No. 281231x HIGH SCHOOL FOOTBALL GOAL POSTS (ONE PAIR)

Same specification as No. 281181x above, except crossbar shall be 23'-4" in length (High School width).

OPTIONAL ITEMS TO SPECIFY

- See Page No. R-403 for specifications on Porter No. 00403-000 Outdoor Ground Sleeve (Each) when removal of goal posts is required.
- See Page No. R-69 for specifications on Porter No. 00069-0xx Upright Padding (Each).
