# 93065 Implement Certification Kit JAVELIN INSTRUCTIONS

## Javelin Measurements

93043

Use the folding gauge to check the javelin's balance.

930421

Use the tip gauge to check the point and the length of the javelin head.

930422

Use the grip gauge to check the length of the grip area.

93044 & 930441

Use the digital caliper and included diameter chart to check the diameter of the javelin at each point defined by rule. Chart is laminated to allow common measurements to be filled in on the chart with a grease pen.
