Worksheet and artwork for gate tubes must be included with order. Acceptable art file types are: Adobe Illustrator (.AI) and .EPS. When generated from a design program (not a scan or image) a PDF may also be acceptable. **Standard image files such as JPEG, TIFF, GIF and PNG are not acceptable.** For additional information, see Artwork Guidelines. Orders without proper documentation and art files will be put on hold until completed.

*Note: The mesh is always white so we do not recommend printing the background of the graphic area.*

*Provide a rough sketch of the graphic barrier design in the box below. The print area is 20" tall x 107" wide.*
