2	TEES 00016 OG0	4	4	4	4	4	Tee Fitting: 1-7/8" to 1-7/8"

TOOLS REQUIRED: 5/16" Allen Wrench

Upon completion of the assembly/installation of this spreader kit, make sure this instruction sheet is in the possession of the owner or facility manager, to save for future reference, and to order replacement parts.

1. Assemble one tee fitting onto each backstay on each soccer goal, prior to assembling the backstays to the soccer goal. See Detail "A".
2. Assemble a rear spreader tube between and inside the two tee fittings on the portable soccer goal. Note – spreader assembly must be located at the back end of the backstays (where the backstays curve upward). Tighten all hardware securely. Repeat for second portable soccer goal. See Detail "A".

NOTE – If the optional No. 00413040 Internal Weight Bar Kit is being installed with the Rear Spreader Kit, the weight bars must be inserted inside the rear spreader tubes before the rear spreader tubes are assembled into the portable soccer goals.

⚠ WARNING: This product can expose you to Titanium Dioxide, which is known to the State of California to cause cancer. For more information go to www.p65warnings.ca.gov.
