# 347100 & 347200 "Z" CLIPS

WALL ATTACHMENT CLIPS  
FOR WALL PADS WITHOUT 1" NAILING MARGINS

## SPECIFICATIONS

PORTER No. 347100 and 347200 "Z"-CLIP WALL / PANEL ATTACHMENT CLIPS  
(FOR USE WITH WALL PADS WITHOUT 1" NAILING MARGINS)

Panel clips provide a wall attachment system with a smooth, neat appearance with the capability of removing the panels to allow worn or vandalized panels to be repaired or replaced by simply lifting the panel upward. Clips are furnished in heavy, precision extruded aluminum (6063-T5) extrusions with attachment holes pre-drilled.

No. 347100 Wall Attachment Clip shall be 6'-0" in length with the capability of field cutting to length as required. (Wall attachment hardware is not furnished).

No. 347200 Panel Attachment Clips (2 per panel) are furnished in 1'-10" lengths with hardware for attaching to 2'-0" wide panels.
