# 7170XX - VOLLEYBALL UPRIGHT PADS

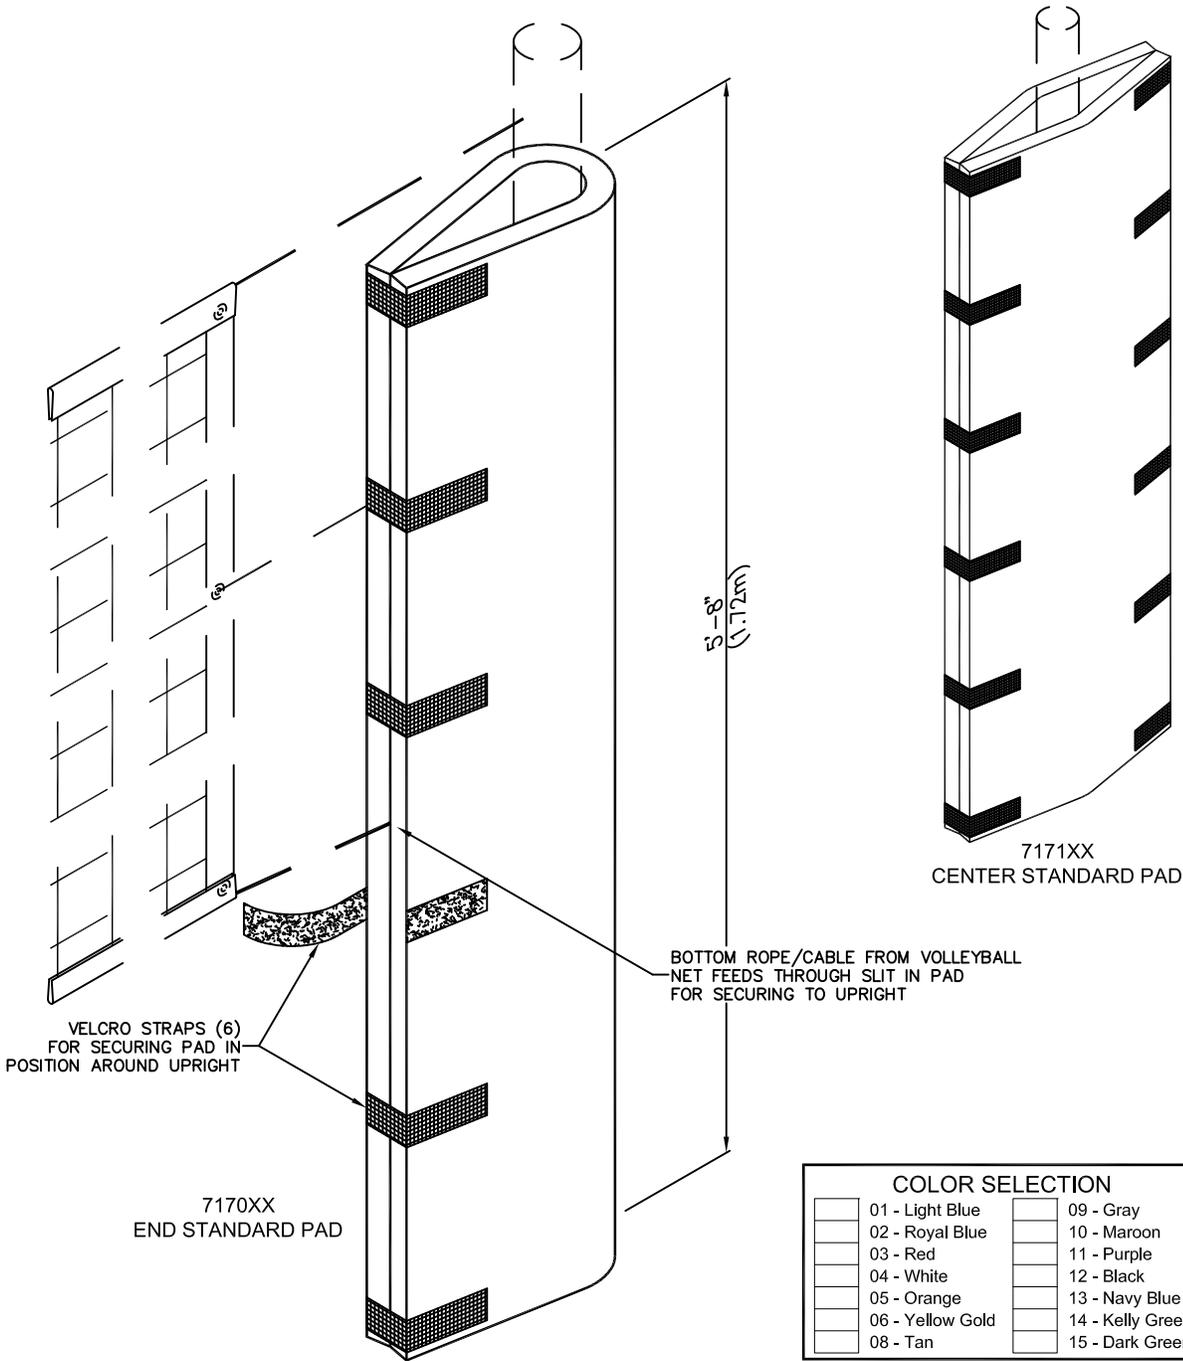

7170XX AND 7171XX PROTECTIVE PADS

## SPECIFICATIONS

### PORTER No. 7170XX VOLLEYBALL PROTECTIVE PADS (PAIR)

Pads (one pair) shall be fabricated from a soft, 1-1/2" (3.8cm) thick Urethane foam interior covered in a durable, vinyl coated polyester reinforced cover material. Urethane foam filler shall allow pad to fold around uprights and tensioning hardware on game standards.

Pads shall be secured in position around uprights with six straps equipped with Velcro type attachment strips for ease of installing or removing from game standard uprights.

Pads shall extend to a height of 5'-8" (1.72m) above floor and shall meet the latest requirements as prescribed by the National Federation of State High School Associations for player protection and safety.

### PORTER No. 7171XX VOLLEYBALL CENTER PROTECTIVE PAD (EACH)

Same specification as above except center pad shall be provided in two sections, to provide openings for net attachments on either side of game standard.
