# 90926000 - STATIONARY BACKSTOP

CEILING SUSPENDED, STATIONARY UNIT  
32' TO 40'  $\varnothing$  OF MAST PIPE TO FINISHED FLOOR

## SPECIFICATIONS

Basketball backstop shall consist of a main center mast of 6-5/8" O.D. heavy-wall structural steel tube with diagonal side sway braces of 2-3/8" O.D. structural pipe. Top horizontal mast member to be of a heavy 3-1/2" O.D. tubing to form a rigid triangular design. Internal web type bracing of heavy 1-7/8" O.D. tube shall be provided as required by unit size. Mast shall be shipped as a bolt-together assembly due to size of unit. Mast shall be suspended by adjustable hangers (3) to provide for precise plumbing of frame during installation.

Goal shall mount directly through backboard and into a heavy structural steel Center-Strut<sup>®</sup> weldment which shall be clamped to the vertical 6-5/8" O.D. center support to eliminate any strain on backboard should a player hang on the front mounted goal (conforms to the NCAA latest rules). All fittings shall be attached to the 6-5/8" O.D. vertical drop tube by heavy 1/4" thick precision saddle die-cut formed steel fittings secured in place by 5/8" diameter 'U'-Bolt type hardware.

Welded mast to be supported in a fixed playing position with a single 2-3/8" O.D. diagonal back brace mounted to superstructure pipe. Back brace shall be further supported by 1-7/8" O.D. internal bracing.

Backstop shall be supported from pipe anchored to roof framing members by precision die formed support fittings or custom attachments as required. All cap screws shall be rated a minimum SAE Grade 5. Grade 2 cap screws will not be approved as equal. Bridged pipes may be required when spans exceed 14'.

All metal parts shall be powder coated. See swatch card SMPL00048037 for standard color options. (contact Porter for custom color requests)

Backstop provided with specified backboard and goal (see B-200 for options).

### WARRANTY

- No. 900 Center-Strut<sup>®</sup> series backstop structure comes with a 25 year limited warranty.
- Limited Lifetime warranty on all Porter backboards when used in conjunction with the No. 900 Center-Strut<sup>®</sup> series backstop.
- Other components may be covered by their own warranty (see corresponding specifications for more details).

### OPTIONAL ITEMS (SEE SPECIFICATION SHEETS FOR DETAIL)

- Backboard safety padding (see B-200)
- Height Adjuster (8' to 10' adjustable goal height) (see chart below)

### CENTER-STRUT<sup>®</sup> HEIGHT ADJUSTER

- For Manual Operation, See Page No.: B-900-506 (Rectangular Boards) B-900-211 (Fan Boards)
- For Key Switch Operation, See Page No.: B-901-506 (Rectangular Boards) B-901-211 (Fan Boards)
- For Powr-Stick Operation, See Page No.: B-902-506 (Rectangular Boards) B-902-211 (Fan Boards)
- For Sportsonic<sup>®</sup> II Operation, See Page No.: B-903-506 (Rectangular Boards) B-903-211 (Fan Boards)
- For Powr-Touch Operation, See Page No.: B-904-506 (Rectangular Boards) B-904-211 (Fan Boards)
