Orders without proper documentation and art files will be put on hold until completed. All applicable products will include PORTER logo and branding in the custom artwork.

Sketch in the boxes below. Sketches should mainly indicate position of logo and letters and proportion of each. No exceptional artistic skill necessary. After submitting this worksheet, Porter may supply up to 3 designs for you to choose from for your graphic pads. Excessive revisions or additional proofs will require an art fee.

By providing a sketch below, the most accurate and desirable designs can be created. Please sketch on each side of each pad you would like design to appear.

You will need to order a PPVB for each pad with graphics or lettering.

____ x PPVB = total number of pads with graphics/lettering (example: Pads A & B would be 2. Pads A, B, C would be 3.)
